Title

HERMITIAN/SUZUKI/REE CURVES

Abstract

We speak about the characterization of some plane curves, Hermitian/Suzuki/Ree, over finite fields and their applications in coding theory.

Date-Time

13 : 20 – 14 : 20, Saturday, Jan. 23, 2016.

Place

Room 306, Department of Mathematics and Computer Science,
Amirkabir University of Technology.
