

OPPORTUNITY FOR INTERNATIONAL STUDENTS

The Institute of Mathematics, Statistics, and Scientific Computing (IMECC) at the University of Campinas (UNICAMP) has openings available in the Postgraduate Student-Exchange Program (PEC-PG) for the first semester of 2026

AVAILABLE POSITIONS::

- 3 scholarships for a MASTER'S degree in Statistics
- 1 scholarship for a PhD in Statistics

ABOUT THE PROGRAM:

The Graduate Program in Statistics at IMECC-UNICAMP has established itself as one of the most important in Brazil and Latin America. Its students, alumni, and faculty have excelled in producing high-quality academic work, with publications in high-impact scientific journals, awards at national and international events, prominent positions, and significant research funding achievements.

The program offers:

- **Excellent infrastructure:** study rooms for graduate students, common study spaces, specialized and computational laboratories, as well as access to financial databases.
- **Highly qualified faculty,** with publications in internationally recognized journals, awards at national and international scientific events, and strong research funding.
- **Internationalization opportunities,** including possibilities for research internships abroad.
- **A wide range of research areas:** Biostatistics and Computational Biology; Computational Statistics and Data Science; Time Series, Econometrics, and Finance; Inference and Statistical Models.
- **A comprehensive academic environment,** with student housing, healthcare services, subsidized university dining halls, and specialized libraries.

ELIGIBILITY REQUIREMENTS:

- Be a foreign national from one of the countries participating in the Program.
- Do not hold Brazilian nationality or dual nationality.
- Do not hold permanent residency in Brazil.
- Reside out of Brazil.
- Provide proof of completion of a bachelor's degree (for master's applicants) or a master's degree (for doctoral applicants).

ACCEPTED LANGUAGES:

Supervision available in Portuguese, English, or Spanish. Classes are taught in Portuguese.
