

Result of the Selection 2nd Semester 2025 (Ph.D)
Graduate Program in Applied Mathematics – IMECC/Unicamp
Disclosure: July 02, 2025

Attention and Disclaimer: As stated in the CPPGMA/IMECC document, No. 01/2025 (https://www.ime.unicamp.br/sites/default/files/inline/216/retification_june-27-2025_item_5.4_edital_ppgmatematica_aplicada_2s-2025-ingles_.pdf), it is worth noting the corresponding item 1.3.1:

*a) candidates completing a master's degree, accepted for the Doctorate course at PPGMA, and who will not compete for an institutional scholarship, **must defend their dissertations at most on the last business day of August, 2025.***

*b) candidates completing a master's degree, accepted for the Doctorate course at PPGMA, **and still considered on the classification list to receive an institutional scholarship**, in view of their performance in the Admission and Classification Exam, must defend their respective master's theses until **July 31th, 2025**, presenting all expected documentation. Candidates classified in **item b)** and who do not meet this requirement will no longer be considered in the classification to receive an institutional scholarship and will be removed from the aforementioned list, a situation that can not be reversed, however they may be considered for entry into the PPGMA under the same criteria and terms as in item 1.3.1 letter a).*
